

Getting to know the GILG site

www.gilg.com.au

Home page features

The screenshot shows the home page of the Gladstone Industry Leadership Group website. At the top left is the logo for Gladstone Industry Leadership Group. To the right of the logo are links for 'Login' and 'Sign Up'. Below the logo is a navigation bar with 'Home', 'Help', and 'Contact Us'. The main content area is divided into several sections: a welcome message, a video introduction, a 'Photographs' gallery, a 'Member Organisations' list, 'Key Dates', 'Project Team', 'Frequently Asked Questions', and a 'Library' of documents. On the left side, there is a 'Forums' section with two posts, each showing the number of votes and the title of the post.

Getting to know the GILG site – Forums

GILG Forums are designed to allow the Gladstone community an opportunity to feedback to GILG's industry members issues of importance and suggestions for improvement.

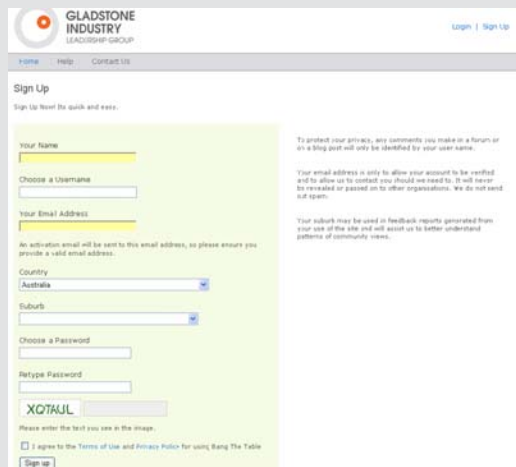

Features:

- Sign-on is quick and easy
- Voting for issues of importance
- Can be anonymous - your username is used on the site.

Step 1 – Click on the Sign-Up button at the top right of the home page.

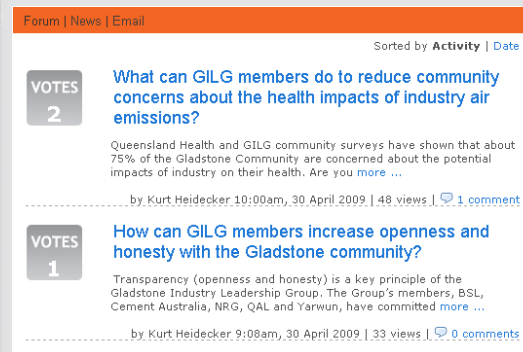

Login | Sign Up

Step 2 – Sign-up with your details.

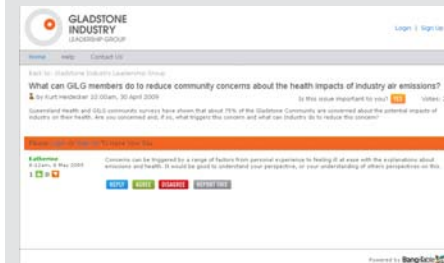

The screenshot shows the 'Sign Up' page of the Gladstone Industry Leadership Group website. The page has a header with the GILG logo and navigation links for Home, Help, and Contact Us. The main content area is titled 'Sign Up' and includes a sub-header 'Sign up here for quick and easy...'. There are several input fields: 'Your Name', 'Choose a Username', 'Your Email Address', 'Country' (a dropdown menu set to 'Australia'), 'Suburb' (a dropdown menu), 'Choose a Password', and 'ReType Password'. A CAPTCHA image with the text 'XQ7AJUL' is visible. At the bottom, there is a checkbox for 'I agree to the Terms of Use and Privacy Policy for using Bang The Table' and a 'Sign up' button. On the right side, there is a privacy notice: 'To protect your privacy, any comments you make in a Forum or on a blog post will only be identified by your user name. Your email address is only to allow your account to be verified and to allow us to contact you should we need to. It will never be revealed or passed on to other organisations. We do not send out spam. Your suburb may be used in feedback reports generated from your use of the site and will assist us to better understand patterns of community views.'

Step 3 – Click on the forum you are interested in on the home page.

The screenshot shows the 'Forum | News | Email' page. It features a navigation bar with 'Forum | News | Email' and a sorting option 'Sorted by Activity | Date'. There are two forum posts listed. The first post is titled 'What can GILG members do to reduce community concerns about the health impacts of industry air emissions?' and has 2 votes. The second post is titled 'How can GILG members increase openness and honesty with the Gladstone community?' and has 1 vote. Each post includes a snippet of the text and a 'by Kurt Heidecker' attribution with a timestamp and view/comment count.

Step 4 – Vote or have your say on the forum board.

The screenshot shows a detailed view of a forum post. The header includes the GILG logo and navigation links. The main content area is titled 'What can GILG members do to reduce community concerns about the health impacts of industry air emissions?' and has 2 votes. The post text begins with 'Queensland Health and GILG community surveys have shown that about 75% of the Gladstone Community are concerned about the potential impacts of industry on their health. Are you more ...'. Below the text, there is a 'by Kurt Heidecker' attribution with a timestamp and view/comment count. At the bottom, there is a 'Powered by BangTheTable' logo.

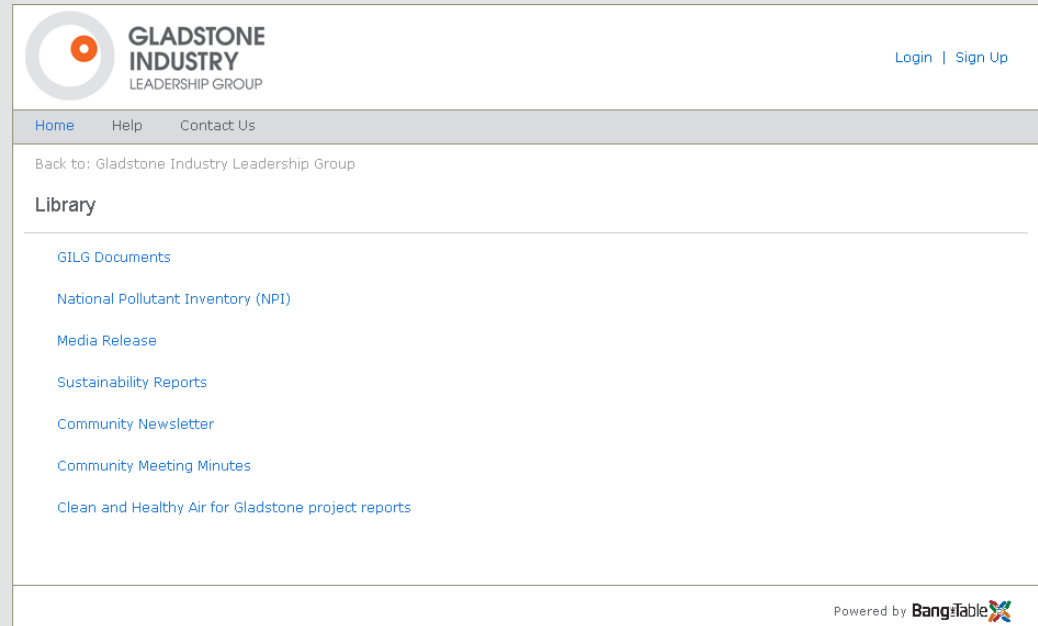

From then on each time you visit the site, simply login.

Getting to know the GILG site – Library of Info

GILG's Library of Info has an extensive range of reports, newsletters, media releases and information from its member industries.

Features:

- **Reports: Annual and Sustainable Development**
- **Media Releases**
- **Advertising for upcoming events at sites.**
- **Newsletters**
- **Articles published by GILG**
- **Community Meeting Minutes**
- **Clean and Healthy Air for Gladstone Reports**

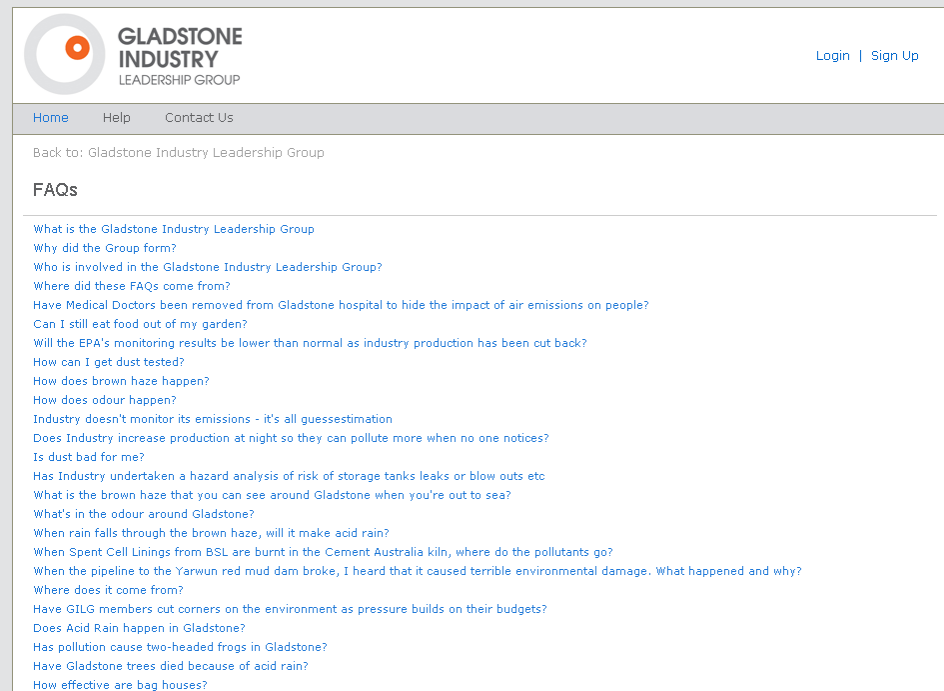

The screenshot shows the website for the Gladstone Industry Leadership Group (GILG). The header features the GILG logo (a stylized orange and grey circle) and the text "GLADSTONE INDUSTRY LEADERSHIP GROUP". To the right of the logo are links for "Login" and "Sign Up". Below the header is a navigation bar with links for "Home", "Help", and "Contact Us". The main content area is titled "Library" and lists several document categories: "GILG Documents", "National Pollutant Inventory (NPI)", "Media Release", "Sustainability Reports", "Community Newsletter", "Community Meeting Minutes", and "Clean and Healthy Air for Gladstone project reports". At the bottom right of the page, it says "Powered by Bangtable" with a small logo.

Getting to know the GILG site – FAQs

GILG's Frequently Asked Questions are a compiled list of questions asked to our CEO and at Community Forums and Events. Our industry members are asked these questions and provide answers through the site.

Examples of FAQ's include:

- **What is the brown haze that you can see around Gladstone?**
- **Can I still eat food out of my garden?**
- **Is dust bad for me?**
- **How effective are bag houses?**

The screenshot shows the website header for Gladstone Industry Leadership Group. The logo is on the left, and 'Login | Sign Up' is on the right. Below the header is a navigation bar with 'Home', 'Help', and 'Contact Us'. The main content area has a breadcrumb trail 'Back to: Gladstone Industry Leadership Group' and a section titled 'FAQs'. A list of questions is displayed, including: 'What is the Gladstone Industry Leadership Group?', 'Why did the Group form?', 'Who is involved in the Gladstone Industry Leadership Group?', 'Where did these FAQs come from?', 'Have Medical Doctors been removed from Gladstone hospital to hide the impact of air emissions on people?', 'Can I still eat food out of my garden?', 'Will the EPA's monitoring results be lower than normal as industry production has been cut back?', 'How can I get dust tested?', 'How does brown haze happen?', 'How does odour happen?', 'Industry doesn't monitor its emissions - it's all guessestimation', 'Does Industry increase production at night so they can pollute more when no one notices?', 'Is dust bad for me?', 'Has Industry undertaken a hazard analysis of risk of storage tanks leaks or blow outs etc', 'What is the brown haze that you can see around Gladstone when you're out to sea?', 'What's in the odour around Gladstone?', 'When rain falls through the brown haze, will it make acid rain?', 'When Spent Cell Linings from BSL are burnt in the Cement Australia kiln, where do the pollutants go?', 'When the pipeline to the Yarwun red mud dam broke, I heard that it caused terrible environmental damage. What happened and why?', 'Where does it come from?', 'Have GILG members cut corners on the environment as pressure builds on their budgets?', 'Does Acid Rain happen in Gladstone?', 'Has pollution cause two-headed frogs in Gladstone?', 'Have Gladstone trees died because of acid rain?', and 'How effective are bag houses?'.
